

# 2016 National Online Leadership Academy

LEADERSHIP SUCCESS ► ONLINE CONVENIENCE

The Academy is an online training tool consisting of nine sessions designed specifically for NAIFA local and state association leaders, incoming leaders, and executives. The Academy is available throughout the association year 24/7, allows you to move at your own pace and experience the sessions individually or as a group. Technical support, FAQs, and discussion/comment opportunities are available at [www.naifaleadershipacademy.com](http://www.naifaleadershipacademy.com).
