## TESTIMONIAL

“The NAIFA Online Leadership Academy is a tremendous resource to local and state leaders and executives as it provides the training needed to ensure success as a leader. The nine modules provide the tools we need to understand our respective roles and to plan for association success. Although I have completed the Academy several times, I always learn something new that will help me to better serve NAIFA Louisiana. It's a volunteer and staff resource you can't live without.”

- Shannon K. Robertson

## ABOUT NOLA
